1. Continue les lignes.

Handwriting practice lines for the number 4. Each row contains a sequence of lines to be completed:

- Row 1: A solid diagonal line from top-left to bottom-right, followed by two dashed diagonal lines, and three lines with a purple starting dot on the top line and an orange ending dot on the bottom line.
- Row 2: A solid L-shaped line (diagonal down-right then horizontal right), followed by two dashed L-shaped lines, and three lines with a purple starting dot on the top line and an orange ending dot on the bottom line.
- Row 3: A solid number 4 with stroke order arrows, followed by two dashed number 4s, and three lines with a purple starting dot on the top line, a blue starting dot on the middle line, and an orange ending dot on the bottom line.
- Row 4: A dashed number 4, followed by three lines with a purple starting dot on the top line and an orange ending dot on the bottom line.
- Row 5: Three empty lines for independent practice.
