

Observe attentivement et retiens la règle

1. Continue les lignes.

Handwriting practice lines for the number 6. The first row shows a solid blue stroke starting from a red dot on the top line and curving down to the bottom line, followed by three dotted lines for tracing and three red dots for independent practice. The second row shows a solid blue number 6, followed by two dotted numbers for tracing and three red dots for independent practice. The third row shows a dotted number 6 for tracing and six red dots for independent practice. Below these are four more empty rows of handwriting lines for independent practice.
