

LES CUBES

Un cube,

et encore un :

Deux cubes

Et encore un :

Trois cubes

Attention !

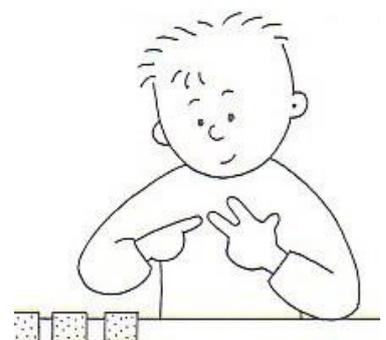

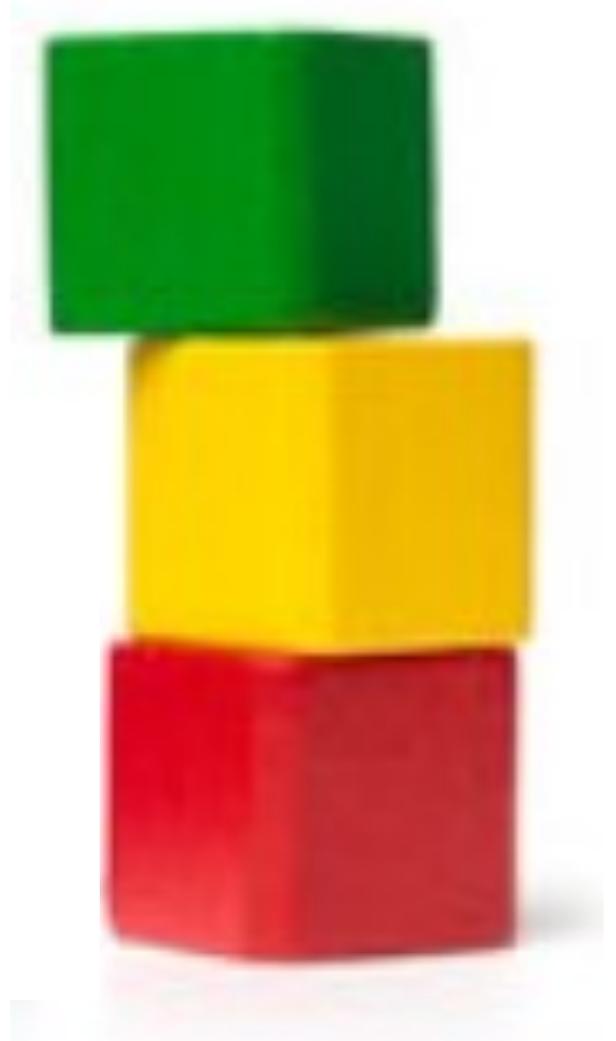

ça titube,

PATATRAS,

Tout en bas,

C'est un tas,

Mais il y en a toujours 3 !

1

Je découpe avec précision.

Consignes :

1. Prends un feutre et fais un premier rond autour de la gomette, dans le bon sens (de gauche à droite).
2. Prends un feutre d'une autre couleur et trace un rond, dans le bon sens, autour de celui que tu viens de tracer.
3. Continue à faire des ronds de couleur différente dans le bon sens
4. Attention, les ronds ne doivent pas se toucher et doivent être bien fermés

Objectifs :

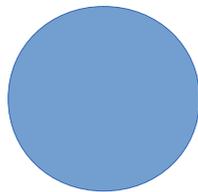

- Apprendre à enrouler son geste de gauche à droite pour former un tracé.
- Apprendre à arrêter le mouvement de son geste.

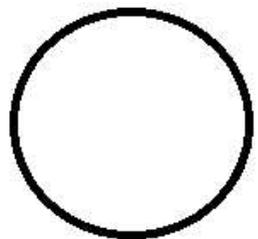

Compétence :

- Écrire son prénom en écriture cursive
- Réaliser une composition personnelle en reproduisant des graphismes. Créer des graphismes nouveaux .
