## Combinatoire « o/au/eau »

1) Relie la carte son avec l'image qui convient.

The exercise consists of four sound cards in the center: **po**, **ro**, **to**, **lo**, and **mo**. To the left are four images: a pencil, a person, a pocket, and a man. To the right are four images: a motorcycle, a faucet, a train, and a person with a ball. Lines connect the sound cards to the images: **po** connects to the pencil; **ro** connects to the motorcycle; **to** connects to the faucet; **lo** connects to the train; **mo** connects to the man.

2) Relie le mot à la syllabe qu'il contient et entoure-la dans le mot.  
(attention à l'intrus)

The exercise consists of five words on the left: **marteau**, **chalumeau**, **paupière**, and **bouleau**. In the center are five syllables: **teau**, **meau**, **reau**, **pau**, and **leau**. On the right are five words: **taureau**, **chameau**, **paume**, and **moufle**. Lines connect the words to the syllables: **marteau** connects to **teau**; **chalumeau** connects to **meau**; **paupière** connects to **pau**; **bouleau** connects to **leau**. The syllables **reau** and **meau** are connected to **taureau** and **chameau** respectively. The word **moufle** is shaded grey and has no connections.
